the Challenge

From the atom to the sun ... the universe pulsates with energy in many forms.

The challenge is to find ways ... new ways ... to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

The means — innovative technologies, exotic engineering, dynamic architecture — existing advances that must come if man is to tap Nature's lode for the energies he needs.

From the smallest part of the universe to the largest ... that's the scope of the energy field today. The opportunity for personal achievement is infinite, the challenge, one that must be met.

Seniors,

Congratulations!! This year you have been an inspiration to the administration, faculty, and student body of G.C.H.S. Success and happiness is yours for the future. Good luck and best wishes.

Mr. Jimmy L. Dishner

Congratulations on the completion of another successful school year. Your hard work and dedication over the years has paid huge dividends. Best wishes in your future endeavors.

Mr. Henry Clabaugh

To the 1992-93 Yearbook Staff

If ALL members who had their pictures made in the yearbook section had actually done any work at all, this book would have been completed long ago. As usual, the responsibility was carried out by only a few diligent workers. There is much work and dedication required to produce a yearbook as some of you know. To you people, I am very proud of the job you have done. I know you will be pleased with the yearbook. Good luck to you seniors in whatever task you choose in life.

Sincerely,

Nancy K. Ward

Nancy K. Ward

As the workers of the yearbook staff know, it is very difficult to complete a yearbook with all the work that is required to put it together. All this work must be completed while keeping up with other school work. We would like to thank all the dedicated members of the yearbook staff who worked hard to put it together. To all those who not only said that they would work, but put forth a great effort and contributed to the yearbook, we give you a heartfelt "thanks." We would also like to thank Mrs. Nancy Ward for all her help and understanding.

To all members of Gate City High School's class of '93, congratulations. Our Senior year has been a good one. Many memories and lasting friendships have formed in our years here. Hopefully, these will last a lifetime and not be soon forgotten. To the Senior class — we wish you the best of luck and success in the future.

Putting this yearbook together has not been easy. We did our best with what we had to work with. We encountered many difficulties in our work. We tried our best to get around these obstacles. We put a lot of effort into this yearbook and hope that you enjoy it. May it provide you with many "Memories to Look Back On" in the future!

Sincerely,

Regina & Tonia
